

Lippincott Discovery

Search all of your resources in one place.

Lippincott Discovery is a web portal that allows users to see and search across LWW Health Library collections, Acland's Video Atlas of Human Anatomy, Bates' Visual Guide to Physical Examination, and 5MinuteConsult if they are subscribers.

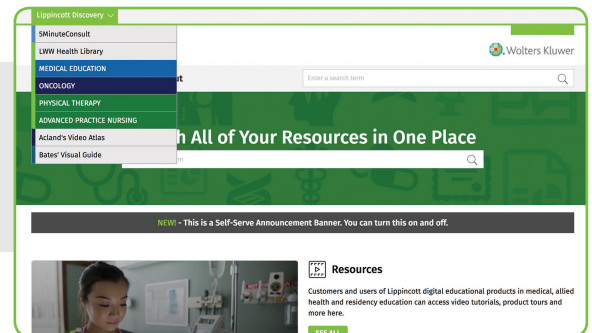

Search Across ...

- LWW Health Library
- Acland's Video Atlas of Human Anatomy
- Bates' Visual Guide to Physical Examination
- 5MinuteConsult™

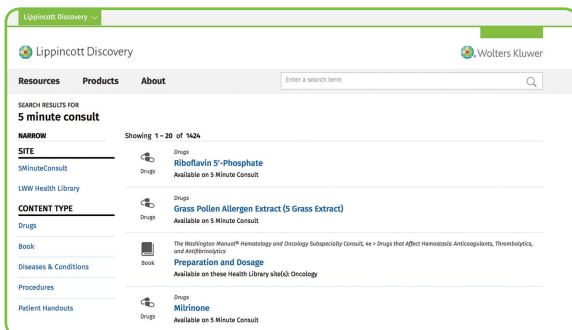

From the main Lippincott Discovery home page, users will be able to search across all of the subscriptions they have access to and see results, broken down by product.

Institutions that have access to multiple Health Library collections or products will be able to select the appropriate collection or product and navigate to it directly from the home page.

Search results from the Lippincott Discovery homepage will indicate content type and product/collection that the result is from. Search results can also be filtered by product or content type from the left navigation on the screen.
